<b>Q3</b>	<b>Do you have additional comments about the Forum?</b>
1	Website & discussion board would be helpful
2	Federation of international regulators?
4	Regular conferencing
5	A great foundation to build on
6	Is there access to any pertinent international newsletters or papers which could be forwarded to Colleges and Reps? Via e-mail? Eg WCPT initiatives
7	Strongly support the notion of keeping the lines of communication open
8	If future meetings (international meetings) will be far and few between, how about a "newsletter" that everyone (ie. All countries) can contribute to?

<b>Q4</b>	<b>Do you have additional ideas for the ongoing sharing of regulatory information internationally (i.e., suggestions that may not have been raised during the Forum)?</b>
1	Well done. Thank you. I learned lots
2	Be sure as the developed countries, we know we have a responsibility to help lead the underdeveloped countries in growth
3	It is helpful if tent cards have names on both sides, so all can see
4	2.5 hours without a break is too long
5	Prepare "tips for PowerPoint presentations" and send out to all presenters, eg. White background, dark lettering, min 24 pt. font
6	Well done.
7	Great idea - Great wrap up. Let's not lose our momentum on this!
8	The international guests contributed greatly to the Forum both through their experience and the way they articulated their views. It certainly felt like physiotherapy was positioning for a "fresh face"
10	Great work. Congrats on a very successful forum
11	Je suis prête à te supporter si tu pouvais ce travail si lieu parti.
13	Wonderful forum. I learned a great deal. All speakers were knowledgeable and information (You chose the speakers well!)
14	Each topic seemed to lead to the next - good planning
