

- C** – Candidate
- P** – Proctor
- S1** – Exam Station
- SP** – Standardized Patient
- EX** – Examiner

**REMOTE PROCTORING VENDOR (TBA)**

**COLLABORATIVE SOFTWARE PLATFORM**

This software application creates a virtual exam site with six virtual clinic rooms. Candidates are moved through the rooms by the software.

**Station Breakout Rooms**

A Standardized Patient and an Examiner are placed in each station breakout room prior to the start of the exam.

A live, remote proctor completes a security sweep and checks candidates in to the virtual exam site.
